Summer Camp Grant Program Info

The Vikes for Tykes Charity Organization is an Augustana student-led organization with the initiative to give back to the community of Camrose. Every year the Vikes for Tykes Charity runs a toy drive which collects and donates toys to families in the Camrose area, as well as to the Edmonton Stollery Children's Hospital patients. In addition to our toy drive, we run numerous fundraisers throughout the year.

As student-athletes, we are very grateful for the opportunity to receive a quality education while playing the sport we love at the same time. We hope to also make it possible for more children in Camrose to have this opportunity. As part of a new initiative, we are using the money fundraised to allow more youth to attend the Augustana summer sports camps that many Augustana athletes attended themselves as youth. These camps are a great way to have fun, improving sport-specific skills and also be exposed to all that Augustana has to offer!

Our partnership with Habitat for Humanity will allow youth living in Habitat homes in Camrose to attend Augustana summer camps at a reduced rate, and in some cases free of charge!

Details

- Youth ages 6 to 17 currently living in Habitat for Humanity Homes in Camrose can apply for a Vikes for Tykes Summer Camp Grant.
- Each child is eligible to receive up to \$300* to cover the cost of one Augustana summer camp
- Grants will be provided on a first-come first-serve basis while supplies last
- Families register and make payment directly with Augustana for the programs. They can then submit receipt of payment to Habitat Camrose for reimbursement.
- If families are not able to make payment directly to Augustana, they can submit invoice for the cost of the program to Habitat Camrose and Habitat will pay Augustana directly.

*Children attending camps that cost more than \$300 will have to pay the remaining amount after the \$300 grant is applied. Those attending camps priced less than \$300 will receive the specific amount the camp costs.
