## 2019-20 Vikes For Tykes Youth Program Grant Information

The Vikes for Tykes Charity Organization is an Augustana student-led organization with the initiative to give back to the community of Camrose. Every year Vikes for Tykes runs a toy drive which collects and donates toys to families in the Camrose area, as well as to the University of Alberta Stollery Children's Hospital patients in Edmonton. In addition to our toy drive, we run numerous cash fundraisers throughout the year.

As student-athletes, we are very grateful for the opportunity to receive a quality education while playing the sport we love at the same time. We hope to also make it possible for more children in Camrose to have this opportunity. As part of a new initiative, we are using the funds raised to allow more youth to attend Augustana Youth Programs that many Augustana athletes attended themselves as youth. These programs are a great way to have fun, explore new skills and also be exposed to all that Augustana has to offer!

Our partnership with Habitat for Humanity and the Battle River Community Foundation will allow youth living in Habitat homes in the Camrose area to attend Augustana Youth Programs at a reduced rate, and in some cases free of charge!

### Details
